Public Transport

By Rail: The NTI is easily accessible from the 3 main train stations in Birmingham city centre. The building is merely a 10 minute walk from New Street Station or Snow Hill Station, or a 5 minute walk from Moor Street Station. A taxi ride would take less than 5 minutes.

By Bus: The bus stops for many of the major bus routes into and out of Birmingham City Centre are only a 5-minute walk away from the building. Please contact traveline on 0870 608 2608 or your local operator for information and timetables. The Travel West Midlands website also contains a very easy-to-use route planner www.travelwm.co.uk

Parking: The NTI does not have parking facilities, but we recommend parking at Millennium Point which is less than a 5-minute walk away from the NTI building. The entrance to the car park is accessed from Jennens Road.
